WHO CAN ENTER: This event is open to horse riders of all ages.

WHAT: "Dash for Cash" is an event where a rider on top of a horse runs a predetermined distance in a straight line, turns a barrel and then runs across a finish line without knocking over a barrel as fast as they can. If they knock the barrel over, it will be a disqualification. Individual runs are timed, and the fastest two times for each rotation advance to the final round. The rotational winners will then run against each other for the prize money in the finals.

This event will run on the track and ATV's, UTV's and Dirt bikes will run inside event center. We will alternate between horses, bikes and ATVs. Bikes, and ATV's will be parked in designated areas and will be turned off while horses are performing.

WHERE: Tioga County Fairgrounds: Owego, N.Y.

WHEN: You must pre enter this event by through the Tioga County website. For any questions call Kurt Warner at (607)481-9173.

CURRENT RABIES AND COGGINS ARE REQUIRED FOR ALL HORSES.
